Individual reflection week 3 - Norbert Laszlo

What do I want to learn or understand better?

- **A:** Today I don't really know how to use KPIs efficiently in a development process.
- **B:** I would like know how to efficiently use and take advantage of KPIs during the sprints.
- **A→B:** Do some research of how KPIs are supposed to be used and discuss in the group how we want to work with them.

How can I help someone else, or the entire team, to learn something new?

- **A:** I might have the most experience with git in the group which
- **B:** Have the others in the group be more comfortable with the git environment.
- **A→B:** Help team members with git and how to use them efficiently.

What is my contribution towards the team's use of Scrum?

- **A:** Anticipate how long time each user story should take.
- **B:** To have anticipated how long time each user story should take.
- **A→B:** Anticipate accurately

What is my contribution towards the team's deliveries?

- **A:** To handle the merge of branches
- **B:** To have merged without mistakes
- **A→B:** Merge nicely
